

## E-Z Off

E-Z Off is a waterbased, liquid oven cleaner specifically formulated to effectively clean baked on paint residues from curing ovens. E-Z Off can be used full strength or diluted up to 50 percent with water to form a clear solution.

### Features and Benefits

- Removes oven residues of all types
- Removes baked on paint residues
- Completely and easily soluble in water
- Easy to handle liquid form

### Typical Properties

Appearance	Clear liquid
Odor	Mild odor
Bulk Density	9.0 lbs/gal
Specific Gravity	1.08 @ 70 °F
pH (5%)	11.5
Flash Point	None to boiling

### Application Procedure

E-Z Off is used between 50% and 100 % by volume depending on the cleaning requirements and equipment being used. Application of large surfaces can be achieved through standard spraying apparatus or can be manually brushed on. Wear appropriate protective clothing (see MSDS for this product for further information) Concentrations of 50% are generally recommended for manual cleaning at room temperature. Final cleanup is achieved with a water rinse.
